

# PAKISTAN'S LEADING FOREX TRAINING & TRADING HUB

Empowering new traders to master markets with skill,  
confidence and real results.

2500+ STUDENTS

10+ MENTORS

## WHY TRADE X EXIST

We built this academy as a clean break from fake gurus and watered-down trading education. No gimmicks. No magic formulas. No “secret indicators” that mysteriously stop working the moment you actually use them.

At Trade x, we focus on what real traders use every single day:

**PRICE ACTION. LIQUIDITY. MARKET STRUCTURE.  
SUPPLY & DEMAND.**

## OUR MISSION

To simplify forex trading for beginners through practical learning, expert guidance, and real-time experience — helping every learner trade with confidence.

# OUR VISION

To build a global community of confident, knowledgeable, and disciplined traders who grow through smart learning and strong foundations.

## WHY CHOOSE TRADE X

We built this academy as a clean break from fake gurus and watered-down trading education. No gimmicks. No magic formulas. No “secret indicators” that mysteriously stop working the moment you actually use them.

### LEARN THE CORE CONCEPTS

We break down market structure, liquidity, price action, and manipulation into clear, understandable lessons.

### APPLY WITH REAL EXAMPLES

No theory without context. Every concept connects to actual market movements.

### BUILD SKILL, NOT DEPENDENCY

Our goal is not to make you rely on us. Our goal is to make you independent, confident, and profitable.

### PRACTICE UNTIL IT BECOMES INSTINCT

Demo trading, chart breakdowns, guided exercises — everything designed to build your confidence before touching live markets.

### GROW WITH EXPERT MENTORS

Our mentors are not marketers. They are traders with proven results and real skin in the game, committed to guiding you step by step.

## ✓ SECP REGISTERED INSTITUTE

We are officially registered and approved under Securities and Exchange Commission of Pakistan (SECP). This ensures that TradeX Financial Institute operates under recognized legal and regulatory standards in Pakistan, providing structured, compliant, and professional financial market education.

TradeX Financial Institute is built by experienced market professionals with practical exposure in forex, commodities, indices, and futures markets. Our mission is to develop disciplined traders through real education — not shortcuts or signal dependency.

Over the years, we have developed structured trading frameworks based on:

- \* Technical Analysis
- \* Fundamental Analysis
- \* Risk & Money Management
- \* Trading Psychology
- \* Price Action & Market Structure
- \* Practical exposure to Pakistan Mercantile Exchange (PMEX)

Learning with us ensures your training is systematic, transparent, and skill-focused. Our programs are designed for students, professionals, and aspiring traders who want to build lon

## TRADE X ISN'T JUST AN INSTITUTE IT'S A JOURNEY.

*We teach you*

*→ guide you*

*→ trade with you.*

Unlike others, we don't just sell courses  
We help you build real trading skills that last.

Backed by real traders, not marketers.

At trade X, your growth is our success  
and that's what makes us different.

# TRADE X JOURNEY/MAP

At the Trade X - Trading institute we understand the clarity, collaboration and communication when embarking on any new initiative.

Here are the key steps follow to successfully apply for our Trading program

1

## ***Submit initial application***

Complete the online/offline application form and reserve your spot for a free weekend trading workshop . Applying early also gives you the best chance to access special scholarships you may qualify for, along with exclusive trading resources and mentorship opportunities.

2

## ***Complete the Application process***

Following your initial application, you will be asked to attend free class and submit scholarship exams with supporting documents to complete your application.

3

## ***Admission Interview***

All applicants will go through a screening process and the admissions team will consider both the program enrollment and the interview when making their admissions decision. The admissions committee meets every two weeks and applicants will be notified promptly of their decision.

4

## ***Confirm attendance and pay deposit***

Upon acceptance, applicants will have 48 hours to confirm their attendance and pay the deposit necessary to hold their place on the course.

## WHAT WE OFFER

We work with you until you become profitable

**Interactive Learning Experience** – Clear, structured lessons across all levels, simplifying complex forex concepts into practical, easy-to-apply knowledge.

**Expert Mentorship & Guidance** – Learn from experienced traders specializing in Smart Money Concepts, ICT strategies, and prop-firm trading, with personalized support to develop your trading style.

**Live Market Practice & Backtesting** – Apply knowledge through live trading sessions, challenge simulations, chart practice, and trade corrections to refine decision-making.

**Dedicated Doubt-Clearing & Accountability** – Regular Q&A sessions and weekly breakdowns. Mentorship students also get unlimited WhatsApp support for continuous guidance.

**Step-by-Step Learning Path** – Progress from beginner courses to advanced strategies and elite 1:1 mentorship, ensuring consistent skill development, confidence, and long-term trading success.

**KHDA-Approved Certificate** – Receive a government-recognized certificate upon course completion, validating your skills and giving official credibility to your trading education.

**We work with you until you become profitable** - We don't just teach you and walk away—we stay with you until you become consistently profitable.

## OUR COURSES

Our courses are designed to help anyone become a skilled and confident trader, step by step. Instead of shortcuts or gambling-style trading, we teach you how the market really works through clear strategies, live market analysis, and practical sessions. As you progress from the basics to advanced SMC, ICT, and prop firm training, you will learn how professionals read the charts, plan trades, and manage risk with discipline. The goal is simple: to help you trade with clarity and build consistent, long-term results.

# TRADE X FUND ACCOUNT CHALLENGE

*Trade with confidence. Get funded. Earn real rewards.*

At Trade X, we believe skilled traders deserve opportunities, not limits. Our Funded Account Challenge is designed to identify disciplined traders and reward them with capital to trade without risking their own money.

## STEP 1 – EVALUATION

Show your trading skill and consistency under real market conditions. Follow risk rules, manage drawdown, and reach your profit target at your own pace.

## STEP 2 – VERIFICATION

Prove your discipline and steady performance. This phase focuses on consistent risk management and emotional control — key traits of a professional trader.

## STEP 3 – FUNDED ACCOUNT

Pass both stages and get access to a funded trading account up to \$200,000.

Earn up to 90% of profits, with no time pressure and continuous support from our expert mentors.

## STEP 4 – PRO TRADER

Top performers can advance to our Pro Trader tier, gaining exclusive coaching, premium tools, and institutional trading conditions.

## WHO SHOULD ATTEND:

Our Trading Program has been designed specifically for beginner level traders who have zero knowledge. We also welcome applicants with experience in trading who would like to improve their trading skills and achieve more consistent results. Traders who are keen to learn more about trading psychology will benefit from our program, along with those who would like to earn a professional certificate in Technical Analysis. Any intermediate level trader with a strong aspiration to be at the 1% of their game and who strives to make a positive, lasting impact in financial health would benefit from our Trading program

## CERTIFICATE OF COMPLETION

A SECP-approved certificate awarded to students upon completing their program, recognizing their commitment, progress, and verified trading education.
